Giants Causeway

On the Antrim coast of Northern Ireland, we walked on the tops of 40,000 interlocking basalt columns, some of which run 40 feet deep. It's the result of an 'ancient volcanic fissure eruption,' says Wikipedia. Signs at the site explain it, but frankly the science was beyond me, writes *Chronicle* editor Mark Frost.

Throng flocking to local events

By Cathy DeDe
Chronicle Managing Editor

Local venues and community events are drawing big crowds. Sunday's Glens Falls Symphony Orchestra Holiday Concert at Glens Falls High School drew 875 people. The prior Tuesday's Adirondack Voices Winter Glow attracted a record 472 people at Christ Church United Methodist. The Strand Theater in Hudson Falls drew a standing room crowd exceeding 375 people for its Ballet Meets the Beatles event that combined classical ballet and the tribute band Across the Pond. The 300-seat Charles Wood Theater says it has had 40 shows sell out this year, including the upcoming Dec. 18 Glenn Miller
