"We are thrilled to be gathering again at the church this Sunday," Rev. Karl Griswold-Kuhn at **Church of the Messiah** in reply to an inquiry from *The Chronicle*. He said the Glens Falls Episcopal church will follow detailed protocols, requiring attendees to line up six feet apart, answer a few health questions and apply

## Outdoor graduations a go

**By Cathy DeDe**

Chronicle Managing Editor

**Queensbury High School** plans to conduct outdoor graduation ceremonies on the football field in eight small groups now that Governor Cuomo authorizes it starting Friday, June 26.

Queensbury's 293 graduates will receive their diplomas in **eight separate full ceremonies** over two days — Friday and Saturday, June 26 & 27 — each for approximately 37 students, with two guests each. Attendance is limited to 150 people at a time.

Rain date is Sunday, June 28. They're still figuring whether they will use a tent.

## 'Too many bigots here'

Dear Mark,

I am reading this week's *Chronicle* and I thank you for your editorial "high ground versus common ground" and in particular the statement "Only a hard-core bigot could rationalize or excuse what occurred in Minnesota or not see we have a problem." stands out for me.

Unfortunately there are too many bigots in our area and I truly hope they open their ears and eyes and realize the pain that they cause to so many of our

fellow Americans.

Thank you!

## Herr: Mark reveals his 'complicity, privilege'

Dear Mark:

No, you didn't print a white supremacist speech, a Deplorables' speech or even a pro-Trump speech, but you managed to pick the most repressive, unsupportive and anti-Democratic speech a Democrat could make, in printing Atlanta Mayor Keisha Lance Bottoms' speech discouraging
